Not every great leader is born. Great leaders are made. This course is designed for seasoned managers who want to gain new insights and inspiration to take them beyond being just “a boss” and enable them to leave their mark as a great Leader. This academy is primarily for those in management positions who want to elevate their performance and take their skills to the next level. However, it would also be beneficial for high potential leads and new managers who are ready to focus on building their leadership skills. Learn how to influence others and be the leader your employees trust, admire and want to follow
